

Collector Flanges

Lightweight Cast Stainless Steel
3-Bolt Flanges

- Ultimate Headers Cast Stainless Steel 3-bolt Flanges are designed for use in a normal straight installation where there are no alignment problems
- All Ultimate Headers cast stainless steel flanges deliver equal clamping force as the typical 3/8" mild steel flange, but are 30 % lighter
- Cast from 316L Stainless Steel and will not rust
- The flanges feature a beveled inner edge which nests against the flare in the pipes, for added uniform clamping forces to the joint
- Include Cometic MLS (Multi Layer Stainless) collector gaskets
- 3" OD
